BY A STAFF CORRESPONDENT. Jefferson City, Mo., Dec. 27.—The Felk majority in the Democratic State Committee dominated thoroughly the meeting of that body held in the ballroom of the Madison Hotel this afternoon. At one point there was rather bitter opposition to the programme of the administration friends, but, throughout the meeting, the views of the friends of Governor Folk predominated, and, if victory perches upon the banner of anyone, it is upon the war pennant of Governor Folk's supporters.

The results, net, are as follows: Vacancies in the State Committee were filled by the election of F. W. Thompson of Chillicothe, to succeed Virgil Conkling in the Second Congressional District, and C. It. Corum to take the place of Speed Moeby in the Eighth District. Robert H. Kern of the First District was considered as never having resigned, and continues as one of the members from his district.

TEST IN COMMITTEE The test between the Folk and anti-Folk men came over the selection of a successor to Virgil Conkling from the Bec and District, who moved to Kansas City. J. A. Collett, the other Second District member, nominated Thomas Bresnahan of Linn County, who was a Gantt supporter in the late gubernatorial campaign, but whom he declared to be a loval Demcrat and favored by the Democrats of the district. Collett made a hot speech in favor of Bresnahan. Robert H. Kern. representing the Folk men, named Frank Thompson of Chillicothe, a former member of the Legislature and a member of the Livingston County Committee. The vote was 19 to 11 in favor of Thompson. With the exception of Excise Commissas City members of the committee stood tegether on the proposition. Shortly afterwards Mr. Collett left the committee meeting to catch a train for home

As the situation is understood here there has been no actual change in the dominant party in Santo Domingo as the resuit of Morales's abandonment. The fact is, the party known as Hornela, of which General Caceres, the Vice President, is the principal figure, has all along controiled the Cabinet, and this Cabinet in turn, owing to the peculiarity of the Dominican Constitution, has completely dominated the presidential office

As Morales was ambitious to conduct his wn Government, he fell under suspicion of disloyalty to his party and otherwise nas suspected of intending to join the opposition, or Jimines, party.
